## About the Area

This is one of Chicago's premier advertising locations. This Spectacular, "Landmark" display is at the beginning of Chicago's expressway system in the River North entertainment district, Chicago's most exciting area, in addition to being located near some of Chicago's most famous restaurants and night-spots. All commuters heading out of the Chicago area use this street to enter the Expressways. It does not get any better. Your advertisement will reach the best of Chicago and create a lasting impression. Viewed by those westbound on Ontario entering the Kennedy, Dan Ryan and Eisenhower Expressways and northbound Orleans St. traffic.
